## FOOD AT THE RACECOURSE

Unlike many other racecourses our hospitality and restaurant guests can enjoy menus designed by our development team and prepared by our own chef brigade. All of our ingredients are carefully sourced, in particular, our meat is prepared for us by a local butcher and many seasonal fruit and vegetables can be found on offer across the racecourse. Our menus focus on traditional British recipes and as far as possible our chefs prepare each dish entirely in our own kitchens.

## THE BRASSERIE & TEA ROOM

2011 will see the refresh of our dining area on the first floor of the Berkshire Stand. The Brasserie offers a more flexible option for brunch (Jump season only), lunch and afternoon tea with no reservations taken on racedays. The menu offers light snacks through to our Newbury favourites and famous homemade treacle tart.

*To offer all racegoers the opportunity to enjoy The Brasserie, we do politely ask guests to leave their tables after dining with us.*
